at **Willis Conference Center**
Nashville, Tennessee

September 17-18, 2004

Cutting-edge Pediatric Emergency Care information designed for all levels of pediatric providers

For more information call Vanderbilt Division of CME at 877-CME-VUMC / 615-322-4030

Limited attendance!

Reduced fee for registration prior to 8/18/04

A collaborative effort with Tennessee's Comprehensive Regional Pediatric Centers:
Le Bonheur Children's Medical Center • East Tennessee Children's Hospital • T. C. Thompson Children's Hospital • Vanderbilt Children's Hospital

Sponsored by Vanderbilt University School of Medicine, Division of Pediatric Emergency Medicine.

Course Information

This third annual conference is designed for physicians, nurses, pre-hospital providers and other healthcare professionals interested in learning “state-of-the-art” pediatric emergency care. The emphasis of the course is to provide **practical** clinical information on urgent and emergent pediatric issues in an atmosphere that encourages participant interaction.

Conference Objectives:

- To identify the ill child and be able to stabilize the child.
- To understand how to diagnosis and treat common pediatric emergencies such as DKA, respiratory distress and trauma.
- Be able to identify common radiologic abnormalities
- To understand about sexual abuse in children and the resources available for further treatment.

Friday, September 17, 2004

Accreditation Information and Credit Hours

Vanderbilt University School of Medicine is accredited by the Accreditation Council for CME to sponsor continuing medical education for physicians.

Vanderbilt University School of Medicine designates this educational activity for a maximum of 12.25 category I credits toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

Disclosure

It is the policy of Vanderbilt University School of Medicine that the information presented at Vanderbilt CME activities will be unbiased and based on scientific evidence. To help participants make judgments about the presence of bias, disclosure of the financial relationships of speakers and Vanderbilt with commercial entities that produce or market products or services related to the content of this CME activity, if any, will be made known to the audience at the beginning of the course. In addition, off-label uses will be identified when mentioned.

Americans with Disabilities Act:

It is the policy of Vanderbilt University School of Medicine not to discriminate against any person on the basis of disabilities. If you feel you need services or auxiliary aids mentioned in this act in order to fully participate in this continuing education activity, please call 615-322-4030 or attach a note to your registration form. (This section can be printed directly on the registration form).
